

NEB SCHOLARSHIP

The New England Blacksmiths have a scholarship program open to all members! NEB offers educational scholarships to cover up to \$500 of the cost for NEB members to attend blacksmithing hands-on classes.

- Procure the application form from the newsletter, our website or from a BOD member.
- Fill it out and return it.
- If possible, include a class curriculum or brochure.

What we will do

- Evaluate your application.
- If you are chosen, we will notify you that you will receive an NEB scholarship.
- After your class, NEB will reimburse you the amount of the scholarship upon receipt of a copy of your receipts and certificate of completion.

What you owe NEB

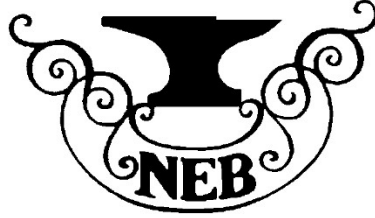

Within one year of completing your class, you will provide:

- A 2-hour demo of the skills you've learned in the class.
- A 2-page illustrated article to *The New England Blacksmith Newsletter* on what you've learned.
